To the Honorable, the Common Council

Dear Council Members:

The attached resolution will authorize the Department of Public Works to accept and fund a Stormwater Best Management Practices Construction Criteria grant from the Milwaukee Metropolitan Sewerage District. The grant is in the amount of \$39,580, which is 50% of the estimated cost of the project. The purpose of the project is to study infiltration and inflow (I/I) in sanitary sewers located adjacent to detention basins.

The resolution will also authorize the proper City officers to execute an Intergovernmental Cooperation Agreement (ICA) between the City of Milwaukee and the Milwaukee Metropolitan Sewerage District. The ICA outlines the scope of services, project deliverable, payments and other details necessary to coordinate the activities of the grant project.

We recommend adoption of the attached resolution.

Very truly yours,

Jeffrey S. Polenske, PE  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works
