To whom it may concern,

This letter is to inform you that my front passenger tire popped while driving on Hampton Ave after leaving my property at 4887 N 54th St. There are multiple holes and gaps, broken concrete and debris in the street which caused this incident. I had to cautiously drive my car to my home at 4503 N 40th St to ensure it was safe and considering this happened later in the evening on Tuesday November 7th I was not able to find a shop open to have it towed to who was able to repair or replace this tire. The morning of November 8th I contacted my repair shop when they opened for business and explained to them the nature of the incident. They advised me to have it towed there. I contacted Triple A and had it towed. Upon inspection my tire was unable to be repaired and I had to order a new tire and have it replaced and installed. Please see the receipts for proof of tow and receipt for tire replacement.

Best Regards,

Jennifer Anderson

<p>Terms & Conditions: In consideration of the towing and other services ("Services") to be provided by Grube's Towing and Repair ("Grube's") the undersigned acknowledges and agrees to the following: I represent that I am the owner of the vehicle as to which the Services shall be performed, or have obtained permission from such owner (or any other owners, as applicable) to execute this agreement on their behalf. I understand that Grube's will not be responsible for any loss or damage to the vehicle to the extent due to causes beyond the control of Grube's, including but not limited to fire, theft, damage due to lockouts or damage due to winchouts, nor shall Grube's be responsible for any damages to the extent arising from Grube's performance of the Services in a non-negligent manner. In addition to and without limiting the foregoing, I understand that Grube's will not be responsible for any damages caused by or due to any alteration of the vehicle from manufacturer's standards, such as by accessories that have been installed in or on the vehicle. I understand that in some situations, towing and/or movement of a vehicle cannot be performed without damaging the vehicle, such as when a vehicle is extricated from an accident scene or winched out or loading vehicles onto a standard flatbed where OEM tie down points make it impossible to load without bumper touching chains or scraping the flatbed. Nor shall Grube's be responsible for attaching to OEM tie down points where the flatbed cable would scratch, break, or rub lower bumpers, air dams, plastic shrouds, etc. I, on behalf of myself as well as any other owner of the vehicle, as applicable, knowingly and freely assume any risk of any risk of any damages or losses, both known and unknown, which may arise in such situations, and Grube's will have no responsibility for the same. I understand that Grube's will have no responsibility for damages or losses in any tow to the extent such losses or damages would necessarily occur as a result of performance of industry-standard towing techniques. Upon the completion of a tow, Grube's will position the vehicle as reasonably determined by Grube's representative. I understand that if I require additional movement or manipulation of a vehicle, Grube's STANDARD PROCEDURE is to place vehicle/equipment within a public street or alley, I will be responsible for, and will assume any risk of, any damages or losses arising from driving on a non-paved surface, any additional movement or manipulation; Grube's will have no responsibility for any such damages or losses. I, for myself and any other owner of the vehicle, as applicable, hereby release and hold harmless Grube's its affiliates, officers, members, agents, employees, representatives, and sponsoring agencies from and against any and all claims, injuries, liabilities or damages to the extent Grube's is not responsible for the same under the terms above.</p>					Storage
