The Common Council

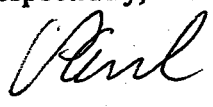

Attn: Finance and Personnel Committee

March 25, 2002

Dear Members:

I would respectfully request that the Salary Ordinance be amended by adding under Pay Grade 2, Legislative Assistant, the following footnote: "All individuals hired for the position of Legislative Assistant-Auxiliary in the Common Council-City Clerk's Office shall start at no higher than the first step in said Pay Grade". This change would result in yearly savings in salary to the City and narrow an inequity in pay between full-time Legislative Assistants and fill-ins.

Respectfully,

Paul Henningsen
Alderman, 4th Aldermanic District
