

March 31, 2023

To Whom it may concern,

On March 10, 2023, at around 7:30 AM, large branches from a tree growing on Milwaukee City property fell on my car. My car was parked at 2751 North Farwell Ave, Milwaukee Wisconsin 53211. The City of Milwaukee tree removal service removed the branches and filed a report to the City of Milwaukee. There was extensive damage to my car because of these heavy branches falling on it.

Enclosed in this envelope is an estimate for repairs in the amount of \$13,497.07 which was done at:

Collision Center of Milwaukee North 1711 W Florist, Milwaukee WI 53209
(414) 290-4360

Also enclosed in this envelope, an estimate of car rental in the amount of \$1,672.33 at:

Enterprise Car Rental
5932 N Green Bay Ave, Glendale WI 53209

The Collision Center informed me that they can start work on my car April 26, 2023 and it will take them 4 weeks to repair. My car rental estimate is based on an equal car to my own, a Volkswagen Touareg. I need an SUV of this size for the work I do, and I will need a rental car for the entire time my car is being serviced. The estimate is just an estimate at time of inquiring. The price will most likely be different at the actual time of renting.

I am asking the City of Milwaukee to cover all charges of repairs to my car caused by the tree growing on City of Milwaukee property and for the cost of car rental of a car equal to my own. The total estimate that I have received for both repairs and rental is \$15,169.40

I am also asking that the City of Milwaukee considers that the amount may change at the time of service and to please account for any variances that may occur.

Thank you for your time,

Hi Harry,

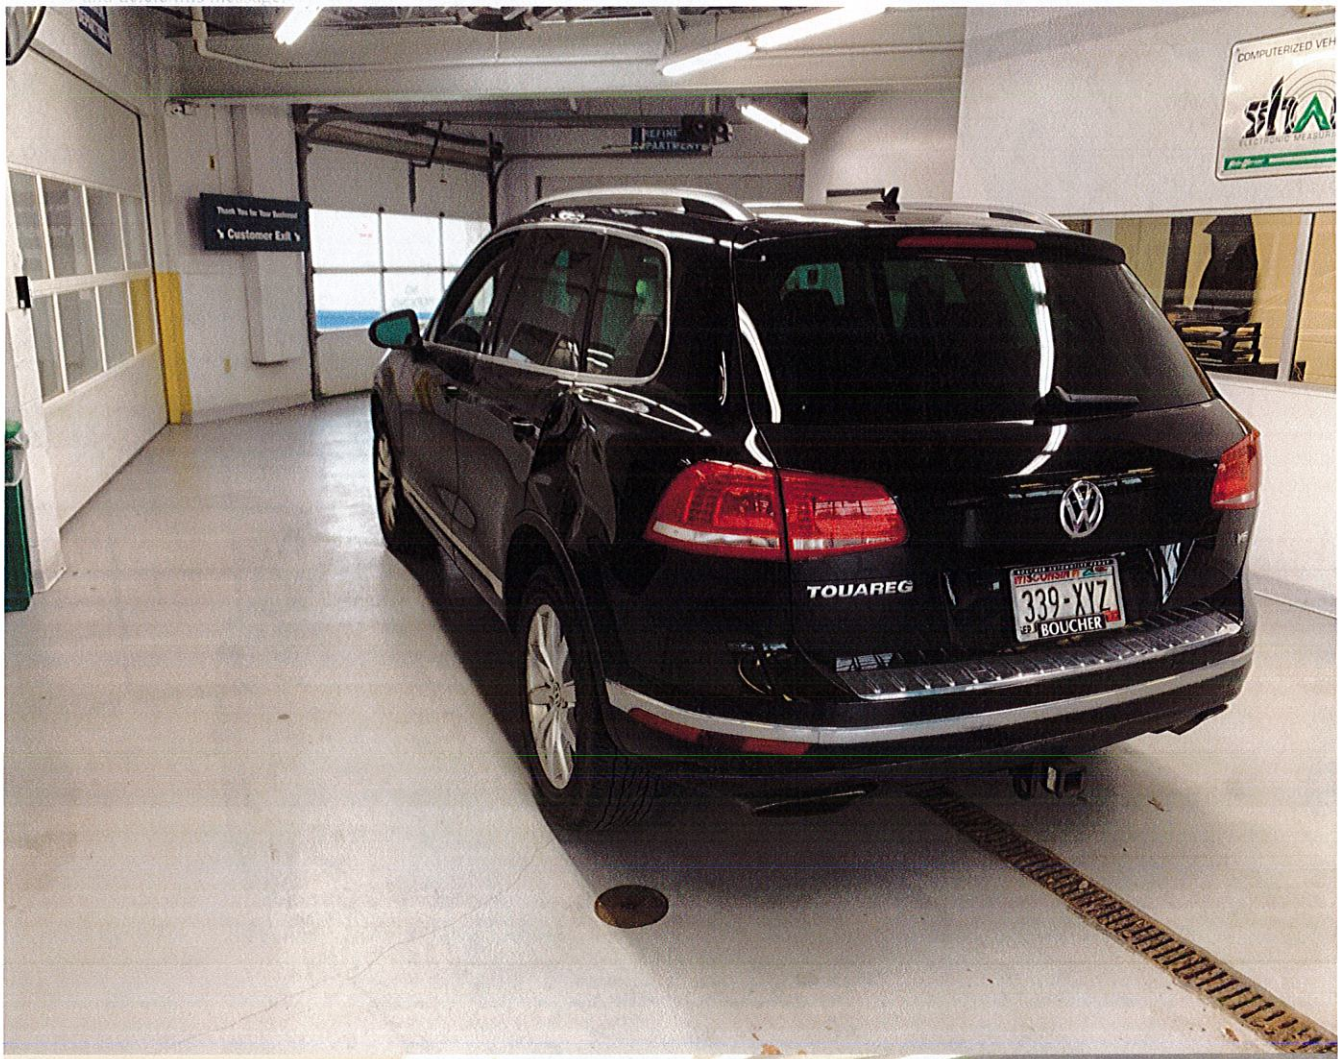

Thanks again for taking the extra time yesterday to look at everything. Would you mind resending the photos of my car damage? I think it went to spam on my email but I have about 1000 spams for some reason today. I can't filter it all:/

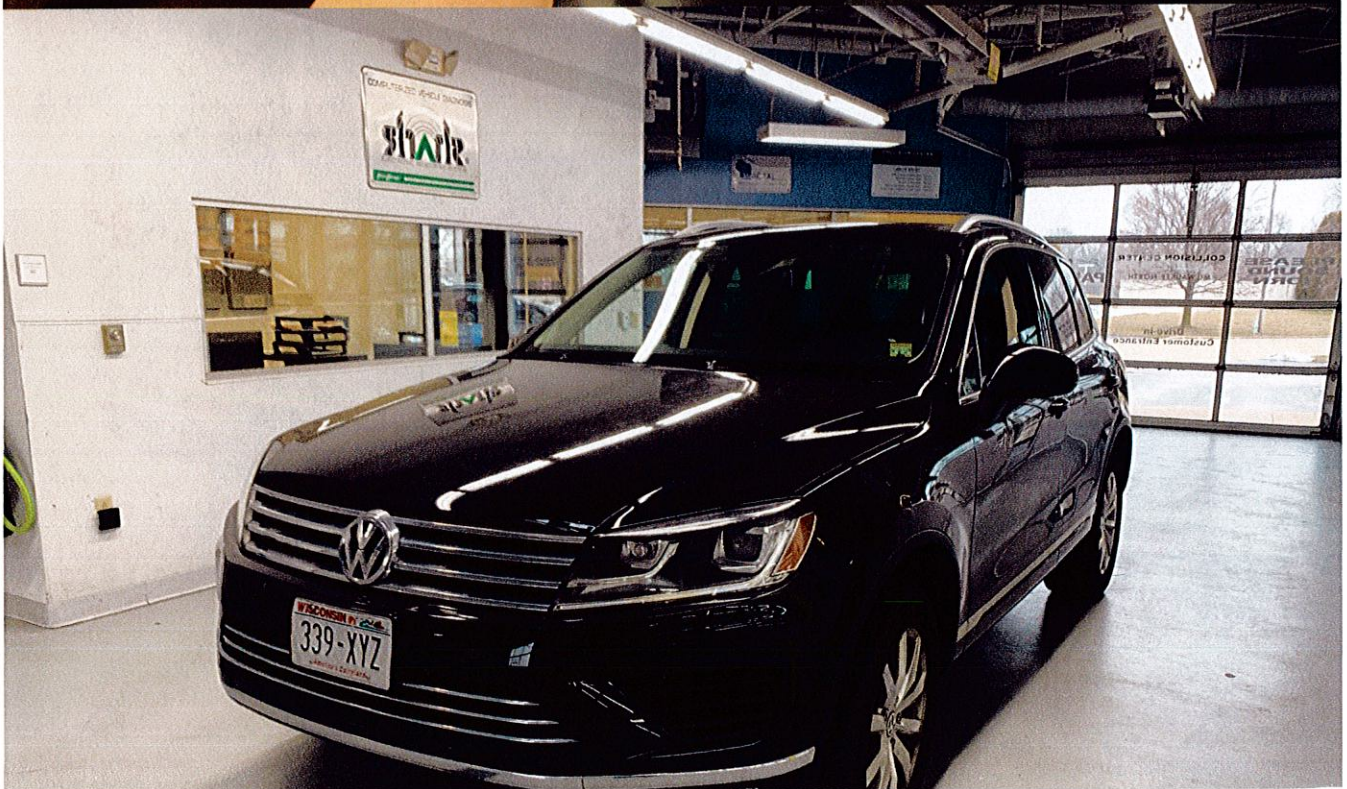

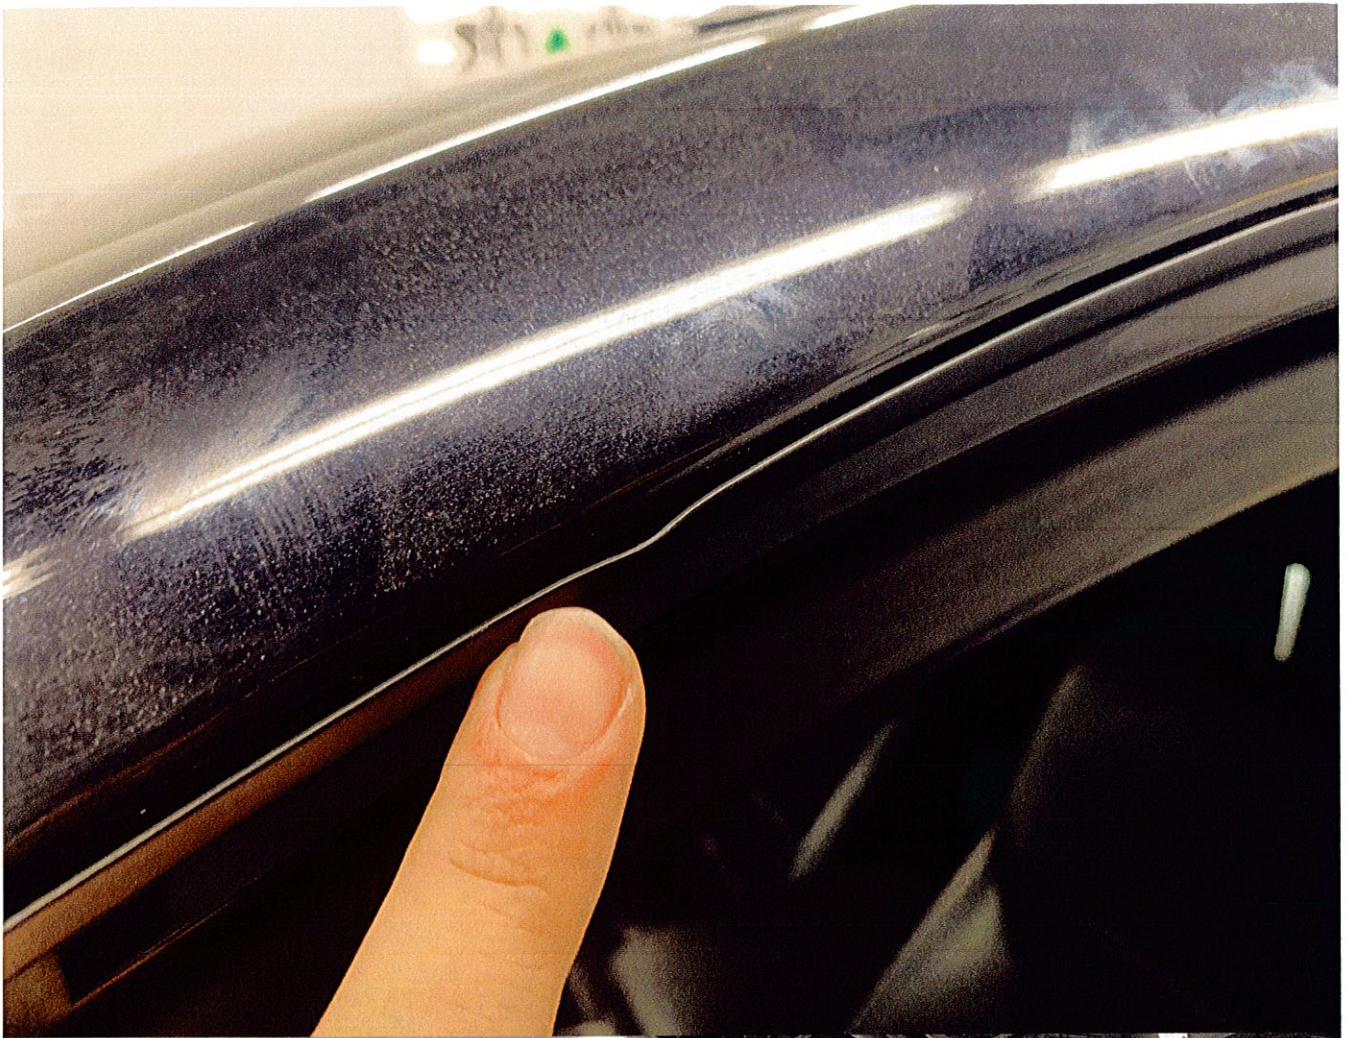

Thanks again and hope you're having a great day,
