Dear City Employee:

I am pleased to announce that today the Common Council approved legislation directing the Department of Employee Relations to provide group “A” eligible city employees with a 2% pay raise in 2018.

Employees may have heard that these well-deserved raises were at risk - that was never the case. The Common Council, by its unanimous action today, clearly demonstrated its commitment to fairly treating and compensating the city’s hard-working employees.

The pay raise legislation – Common Council File# 171278 – was sponsored by me and colleagues Alderman Russell W. Stamper, II, Alderman Ashanti Hamilton, Alderman Terry L. Witkowski, Alderwoman Chantia Lewis, Alderman Michael J. Murphy and Alderman Khalif J. Rainey.

The Common Council greatly values the efforts and contributions of all city employees, and the efficient, caring and conscientious manner in which city employees serve the residents of the City of Milwaukee. Your work is greatly appreciated and the Council values your dedicated service.

Peace, Love, & Justice

Alderwoman Milele A. Coggs - Chair – Finance and Personnel Committee
