Dear Mr. Owczarski,

I would like to be considered as a member of the Milwaukee Youth Council. My name is Morgan Hines. I am a junior at Divine Savior Holy Angels High School (DSHA).

I have taken an active role at DSHA. I've served on the Student Congress for three years. It's a service council that allows the student body to have a voice and weigh in on decisions that impact the DSHA community. As a Student Congress member I organize the annual blood drive.

I am proud of my school and encourage others to do their best. Education to me equals an exceptional future. As a student at DSHA I have been active in student recruitment, providing tours to new families and mentoring younger students.

I participate in extra-curricular activities that require discipline and time management. My activities include violin, JV tennis and tutoring second-graders weekly at Milwaukee College Prep. I have to use time management to balance school work, homework, practice/performance and volunteering. Getting good grades is my number one priority.

My interests, my family and my community define who I am, a very caring person that loves challenges and never gives up.

Thank you for your time and consideration.

Sincerely,

Morgan Hines
