To the Honorable, the Common Council

Dear Council Members:

The Milwaukee County Park System has requested that they be granted permission to maintain a small segment of the Oak Leaf Trail within the City's right-of-way near the intersection of North Hawley Road and West Trenton Place. This short segment of off-road bike trail provides a connection between the trail through the Badger Association of the Blind property to the east and the on-street bike route on West Trenton Place to the west. We have prepared the attached resolution which, if adopted, grants permission to Milwaukee County to own and maintain an asphalt trail at this location. We recommend adoption of the attached resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
