January 30, 2026

Dear Nancy Bush and BID #4 Board Members,

I am Principal Bradley Christensen of Forest Home Avenue School expressing our support of the proposed plan to expand Children's Wisconsin's Forest Home Clinic parking area.

As you may know, our historic school educates over 600 K3-5 students annually and provides before and after school programming. Forest Home Avenue School is located adjacent to Children's Forest Home Clinic. The clinic provides much needed medical care to families in our community.

Not unlike us, Children's patient families and staff are experiencing challenges with parking and our educators, staff and parents empathize with the parking difficulties.

We support Children's Wisconsin's plan to expand their parking lot. This will help ease street parking challenges for those who not only visit the clinic, but also for those visiting our school and for nearby residents.

Our shared support for Milwaukee's children is mutually beneficial to the neighborhood and beyond as we both continue to keep kids curious and healthy.

Sincerely,

Bradley C. Christensen

Principal

Forest Home Avenue School
