The Honorable Common Council City of Milwaukee City Hall, Room 205

RE: Budget Amendment Submittal Deadline and Process

Dear Honorable Members:

The Finance and Personnel Committee will consider and vote on amendments to the 2026 Proposed Executive Budget on Friday, October 31, 2025, beginning at 9:00 a.m. in Room 301-B and via teleconference. I encourage and invite all Council members to present their amendments to the budget at that meeting.

Please contact Fiscal and Legislative Services Specialist Kathy Brengosz (x3926 or Kbreng@milwaukee.gov) with requests for amendments. The staff of the Legislative Reference Bureau will prepare the related fiscal impact narrative for each amendment and coordinate with the Budget and Management Division, which will prepare the technical portion of each budget amendment document.

The following provisions are applicable to the budget amendment process:

- Submittal Deadline Established. The deadline to submit amendment drafting requests is 4:45 p.m. on Thursday, October 23, 2025. I reserve the right to deny late amendment requests. In consideration of all the staff involved, I encourage you to submit your amendment requests before Thursday, October 23.
- 2. **White Packet Publication Date Established.** The white packet of budget amendments will be published on <u>Monday</u>, <u>October 27, 2025</u>, or as soon thereafter as practicable.
- 3. **Balanced Amendments Encouraged.** Due to State-mandated property tax levy limits and the Expenditure Restraint Program, I encourage Council members to submit "balanced" amendments relating to expenditures. That is, an amendment increasing tax levy spending for City services should be offset by reductions to other services or funding levels.
- 4. Co-sponsorship. I urge Council members to consider co-sponsoring amendments which share a common intent, rather than sponsoring them separately. Members will not be listed as co-sponsors unless there is complete certainty regarding their intentions. Members may be added as co-sponsors at the Committee meeting.
- 5. Amendment Day Packets to be Electronic Only. In consideration of conserving resources, the White Packet (Amendment Day), will not be printed out. Packets will be emailed to Council

members and added to the online Council Legistar file. Yellow Packet (Committee-approved amendments) and Salmon Packet (failed/withdrawn amendments re-submitted for Council consideration) will be printed and delivered to all Council members. The Yellow and Salmon Packets will also be emailed to all Council members and added to the online Council Legistar file.

- 6. **Departments Considered in Alphabetical Order.** The Committee will consider departments and agencies in alphabetical order (see attached list). All amendments pertaining to a department or agency will be heard at the same time.
- 7. **Redevelopment Authority Budget.** As in previous years, budget deliberations include consideration of the budget of the Redevelopment Authority of the City of Milwaukee. Members may submit amendments to this budget, but, as this budget is contained in a separate resolution, these amendments will be taken up after those offered for the Executive Budget.
- 8. Amendments Heard in Order of Seniority. For each specific department or agency, amendments sponsored by the Finance and Personnel Committee Chair will be heard first, followed by amendments sponsored by the Vice-Chair, and then other members of the Committee in order of seniority. The remaining members of the Council will then have their amendments considered in the order of seniority (see attached list).
- 9. **Committee Member Must Offer Amendment.** Following past practice, amendments from Common Council members who are not members of the Committee will only be heard if offered by a member of the Committee. Amendments not offered by a Committee member may be submitted for introduction under the 24-hour rule below.
- 10. 24-Hour Rule Applicable. Article IV, Section 8, of the Milwaukee Common Council Procedure and Rules provides that budget amendments which have been submitted to the Finance and Personnel Committee for consideration, but which are not recommended by the Committee for adoption, may subsequently be presented to the full Council, if submitted to the City Clerk at least 24 hours prior to the budget adoption meeting (which will be held on Friday, November 7, 2025).

If not submitted to the City Clerk at least 24 hours prior to the budget adoption meeting, such an amendment shall only be considered at the meeting if two-thirds of the Council (10 members) votes to consider it.

11. Amendments Not Presented at Committee. Amendments which were not presented to the Committee may still be presented to the full Council at the budget adoption meeting, if two-thirds of the Council votes to consider them. Adoption of such an amendment would then require 8 votes.

Respectfully,

Num L
