A large, multi-story brick building with a grid of windows. The building features a decorative cornice and a flat roof with a greenish tint. The facade is made of light brown brick, and the windows are arranged in a regular pattern. The building is surrounded by trees and a grassy area.

A red SUV parked on the street in the foreground. The car is a modern model, possibly a Chevrolet Equinox, and is facing towards the left of the frame.

A silver sedan parked on the street in the foreground. The car is a modern model, possibly a BMW 3 Series, and is facing towards the left of the frame.

A black metal fence running along the sidewalk on the left side of the image. The fence is topped with a decorative scrollwork pattern and is surrounded by a row of small, conical evergreen trees.

A large, leafy tree with a thick trunk and a wide canopy, partially obscuring the building. The tree has green and yellowing leaves, suggesting it might be late summer or early autumn.
