MOTION

I move to offer the attached Proposed Substitute in lieu of Substitute 2.

1. The Proposed Substitute strikes the phrase “special revenue fund” wherever it appears, including in the title of the ordinance, and replaces it with the phrase “special purpose fund.”

2. The Proposed Substitute strikes the words “establishing” and establishes” wherever they appear and replaces them with the words “creating” and “creates,” respectively.

3. The Proposed Substitute also strikes the phrase in s. 304-26-2 that reads “is established in the revenue accounts effective January 1, 2007” and replaces it with the phrase “shall be created in the general fund at the earliest appropriate time at the discretion of the city comptroller.”
