To the Public Works Committee

Subject: Common Council Resolution File Number 130809

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 130809, being a resolution to grant a special privilege to Carolyn's Castle LLC to construct and maintain a fence and enclosed raised play area; air conditioners and enclosure; and entrance steps in the public right-of-way for the premises 2490 South 10th Street.

The applicant is requesting permission to construct and maintain various items in the public right-of-way necessary to operate a children's daycare business. A chain link fence with an enclosed raised play area and two commercial air conditioner units with a chain link enclosure project into the north sidewalk area of West Arthur Avenue. A set of concrete steps located at the intersection of West Arthur Avenue and South 10th Street projects into both street rights-of-way. All of these items are located behind the main paved public sidewalk and do not interfere with pedestrian traffic.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
