Narrative
Title INITIAL INVESTIGATION

This report is written by P.O. Aaron FROH, assigned to District Two, Late Shift.

On Sunday, May 19, 2019 at approximately 4:56 a.m., P.O. Thomas SLOWINSKI and I, Squad 2340 were dispatched to an entry call at Points View Boite which is located at 1619 S. 1st St. P.O. Richard MENZEL of Squad 2390 was also dispatched to assist.

Upon arrival, we make contact with the owner, Marcos RAMOS-GARCIA (w/m, 03-01-1985) and key-holder, Eric SUTTON (w/m, 05-17-1973). Myself, P.O. MENZEL and P.O. SLOWINSKI helped clear the bar. While clearing the bar, we observed damage to a TV, broken bottles behind the counter.

While clearing the men's bathroom, P.O. SLOWINSKI, discovered a bullet hole through the glass window on the north side of the bathroom and struck the bathroom wall.

P.O. SOWINSKI located another bullet hole that struck north side of the bar, on the outside but did not penetrate through. P.O. SLOWINSKI located two 9mm Silver Luger Hornady casings on the south side of street at approximately between 100 W. Lapham St. and 200 W. Lapham St.

I was able to retrieve a bullet fragment from the men's bathroom located on the south side wall that went through the window.

I spoke to RAMOS-GARCIA who stated that the bullet holes were not there before he got there.

INTERVIEW WITH SUTTON

I spoke to SUTTON who lives above the bar and stated at approximately 4:30 a.m., he heard the sound of bottles hitting a hard surface and then shortly after he heard a thump then heard two gunshots outside. SUTTON stated that called RAMOS-GARCIA at approximately 4:32 a.m. so they could meet up to check inside the bar to see if anybody was inside.

END OF INTERVIEW

I inventoried the casings and bullet fragment that were recovered.

I took photographs of the scene, casings, and bullet fragment. See my supplemental report regarding the photographs taken.

No cameras were observed.

Title	NIBIN CASING ENTRY

This report is written by ATF/Shearwater Contractor John Schoof, assigned to the Fusion Division - Crime Gun Intelligence Center as a Forensic Technology Certified IBIS Technician. I was certified by the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) as an IBIS technician on 02-22-2019.

IBIS stands for Integrated Ballistics Identification System, which is part of the National Integrated Ballistics Information Network (NIBIN).

On Tuesday, May 21, 2019 I examined (2) 9mm casings under a stereo microscope at the Milwaukee Police Department NIBIN lab for NIBIN submission. These casings were retrieved from the Milwaukee Police Department Property Control Section.

The casings appeared to have been fired from the same firearm.

Incident #: 19-139-0034

Definitive extractor marking: YES

Definitive ejector marking: YES

Assigned to NIBIN lab #F19-1889, Exhibit #1.

These casings were returned to the Milwaukee Police Department Property Control Section after NIBIN submission.

Date of correlation review: 05-22-2019

I determined there are no potential NIBIN leads developed at this time for this exhibit.

These findings are based on IBIS/NIBIN training and the findings are highly probable. MPD IBIS/NIBIN technicians are not Tool Mark Specialists and all confirmations are to be directed to the Wisconsin State Crime Lab (WSCL).

POLICE REPORT

Case Number: 191390033

This report was written by PO Thomas Slowinski assigned to District #2 late shift. On Sunday, 05/19/19 at 4:56AM, PO Aaron Froh and I Sqd#2340 was dispatched to Points View Boite Pub located at 1619 S. 1st St., which is located within the City and County of Milwaukee, on report of an entry.

Upon arrival, I interviewed the bar owner Marcos A. Ramos-Garcia, (W/M, 03/01/85), who stated that he was notified by his property manager, Eric W. Sutton, (Wm, 05/17/73), who lives in a room above the bar stating that he heard someone inside the bar after it was closed. PO Froh and I along with PO Menzel Sqd#2390 cleared the bar and found no one inside. Ramos-Garcia stated that the router for the video equipment was damaged during the entry and he wasn't able to view video of the event.

I observed that a bar stool was lying behind the bar and there were several broken bottles of liquor behind the bar. I observed that an approximately 60" television hanging on a wall above the back of the bar was smashed. A check of the front door, rear door or windows did not reveal any damage and it was unknown how the suspects got into the bar.

Ramos-Garcia was finally able to get the bar video to work and it showed that two black males approximately 21-25yo, entered the bar through the front door which appeared to be unlocked. The video showed that suspect #1 grabbed a bar stool and threw it behind the bar smashing several liquor bottles. Suspect#2 grabbed a full unopened can of Red Bull energy drink from the bar and threw it at the television above the bar smashing the screen. Both suspect #1 and Suspect #2 fled the scene and did not take anything of value.

Ramos-Garcia stated that he would e-mail me the video of the incident. After multiple attempts to send the video to me Ramos-Garcia was unable to send me the video.

I recovered the can of Red Bull and obtained three latent prints from the can. I later sent the prints to the City of Milwaukee Police Dept. Bureau of Identification for processing.

This case is pending.

This report was written by PO Thomas Slowinski assigned to District #2 late shift. On Sunday, 05/19/19 at 4:56am PO Aaron Froh and I Sqd#2340 were dispatched to Points View Bar located at 1619 S. 1st st, which is located within the City and County of Milwaukee, on report of an entry to the business. Upon arrival, it was determined that it was a trespassing and damage to property incident. Video recovered from the bar revealed that one of the suspects threw a full can of Red Bull energy drink at a television screen inside the bar damaging the screen. I recovered the Red Bull can and transported it to District #2 for processing. At District #2 I identified three different latent prints on the can and used magnetic black powder to dust the can. I recovered the latent prints from the can and sent them down to B of I for processing. PO Froh recovered blood evidence from the bar top located within the bar.

Title

This report is written by Latent Print Examiner Chet St. Clair.

On Tuesday, 05-21-2019 I examined three latent lift cards from Latent Case #19-LC-1094, submitted by Police Officer Thomas Slowinski.

Lift #1 is of insufficient quality for comparison.

I processed the impressions of sufficient quality in AFIS, with no identifications made. The impressions remain registered in AFIS for possible future identification.
