RE: 5162 N. 65th St.
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Solid waste violation
(Name of City Department)

Amount of the charges \$ 289 259.61

Charge relative to: brush removal

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

The person who trimmed the tree dumped the branches next to my garbage can (on my property). I was physically unable to move them. I called for an extension and was given one date and the person at the city put down an earlier date, so the city called for a contractor, even though I had more time. → (on back)

I then called and let them know and they
said there was nothing they could do. I
then tried to find someone to come out and
am unable to afford to pay someone and
also have a severely handicapped child
that I am the sole caretaker of and
could not leave to try to clean it up.
I am unable to afford the fee. If
it can not be erased, can it please
be significantly lowered? Thank you
so much for your consideration
