RE: C.I. File No. 1048-2014-991
Communication from LASHUNDA JOHNSON

Dear Ms. Johnson:

We have received your claim in the amount of \$1,000.00, relating to your deductible allegedly incurred when a water main broke on February 11, 2014 and water backed up into the basement of your residence located at 2464 North 34th Street.

The Milwaukee Water Works (MWW) records indicate that on February 11, 2014 at 9:13 p.m. they received a report of a leak in the street in the area of North 34th Street and West Wright Street. They dispatched a field investigator who confirmed a break on a 6 inch water main at 2464 North 34th Street and conducted an emergency shut off. Due to a busy workload and no available distribution crews, the MWW called out for a contractor to repair the water main. Mid-City Plumbing responded to the site and made the necessary repairs. There is no evidence that the MWW was negligent in this matter. As such the City would not be liable. Therefore, we are denying your claim.
