SUBJECT: 2ND ALD. DIST. - FILE #211076
INSTALL YIELD SIGN ON NORTH 61ST STREET
AT WEST STARK STREET

Dear Alderman Johnson:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and northwest corners of the intersection in the form of a bushes and houses that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Jerrel Kruschke, P.E.
