

September 17, 2003

To the Honorable, the Common Council

Dear Honorable Members:

On September 2, 2003, the City of Wauwatosa adopted a resolution requesting permission for Builder Brick and Materials to connect to the City of Milwaukee sanitary and storm sewer in West Hampton Avenue and North 119th Street. The connection is for the property located along the south side of West Hampton Avenue and the west side of North 119th Street. The Builders Brick and Materials plant is currently undergoing reconstruction.

We have prepared the attached resolution allowing the connection of the Builders Brick and Materials plant to the City of Milwaukee sanitary and storm sewer systems.

We recommend adoption of the attached resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
