

on april 30 when I got out of
Church my son went down in
the basement that when he called me
and told me that water were in
the basement over our shoes I had
water every where I called the city
because I saw that it were coming from
the drain when they sent someone out
he came in and he also saw the water
were rising so he called someone out to
take care of it. So I am writing to put in
a claim for the items that were lost
