Haz-Mat committee,

Yesterday, I received notification from Atty Randi Milsap, WEM, regarding our FY2009-2011 Contracts. The highlights are as follows:

- The contract duration is two (2) years.
- The state has decreased the overall budget amount by (\$14,000), result \$1,386,000 million for distribution.
- Each team will decrease its budget by a formula % amount.
- Team Wausau will sustain a decrease of (\$40,000).
- Teams Milwaukee and Madison will receive an increase in the amount of \$20,000.
- All other teams will be funded at the current rate, minus their % of the (\$14,000) state reduction.

An official notification will be forthcoming as I get information from Atty. Milsap. If you have any questions, please call me at 608-266-6564.

Thank you,
