Hi Chris!

I had to get in contact with Nicole Fleck and I believe Budget may have beaten us to the punch with putting in the corrections. The only change that I see between the two would be to add (J) next to the Strong Babies Program Manager in the 2020 Position Ord. Is there any documentation will you need from me to reflect this?

Thank you for your help!

Sarah,

I believe the action required section of this report amending the 2020 Position Ord is incorrect. I believe the report is based off the 2019 Position Ord version. It needs to be based off the 2020 Position Ord version. There is no Nurse Family Partnership Program section anymore under Health Dept for the 2020 Position Ord.

Under Family and Community Health Services Division, Nurse Family Partnership Program, delete one position of "Public Health Nurse Supervisor (X)(Y)(J)" and add one position of "Strong Babies Program Manager (X)(Y)(J)".

**Please advise on what the correct amendment language to the 2020 Position Ord should be, if any?** Note that I see this already in the 2020 Pos Ord (page 47):

Prenatal & Reproductive Health

Strong Babies Program Manager (X)(Y).....	1
Community Outreach Specialist (J)(X).....	5
Community Education Assistant.....	1
Public Health Nurse 3 (0.5 FTE) (G)(J)(X).....	2
Lactation Counselor (0.5 FTE).....	2
