To the Honorable
Finance and Personnel Committee
Common Council
City of Milwaukee
City Hall, Room 205

Dear Committee Members:

The Department of Employee Relations is seeking your approval of a proposed change to the Milwaukee Code of Ordinances that allows the option of cash overtime for a non-represented Administrative Assistant III within the Fire and Police Commission. The Common Council initially approved a substitute ordinance authorizing cash payments of overtime for this position on June 19, 2007.

In a separate communication to the Finance & Personnel Committee relating to job classification changes approved by the City Service Commission on April 8, 2008, there is a recommendation to change the classification of this position to a Program Assistant III. If this change is approved, it is our recommendation to change the language of the ordinance to reflect this change in classification.

A substitute ordinance and fiscal note will be forthcoming.

Sincerely,

Maria Monteagudo
Employee Relations Director
