RE: Amendment to Complaint #010076

Please consider this as an amendment to my original complaint in the above referenced matter to the amount of \$25,000. This figure represents the following:

Loss of wages to-date:	\$15,000 (Approximately)
Pain and Suffering:	<u>10,000</u>
	\$25,000

Since the initial complaint, I have been able to return to full time work. My arms are stilled limited in some motions.

The Milwaukee County Transit Authority has located the bus driver who witnessed this fall from a distance, but do not have a report from the driver (they do expect him to file the report) but are not sure if they can release this information to me (I have been speaking with Irene in the Claims Department). I hope that by the time of the hearing on Monday June 11, 2001, I will have this information.

Last week I spoke with the Manager of the Security Department of the 411 Building (Gregg Slupski), and he remembers the accident but does not know if he can release any info, or give me anything in writing because the accident occurred on the City sidewalk

The apparatus I fall over was white with orange stripes and had legs (I believe it was wooden). It happened so fast, and at the time, I did not think to investigate.

Thank you,

Loretta Haynes-Jordan
