C.I. File No. 1030-2023-307  
Your claim No. 01-005-481743

Dear Ms. Navarro:

We are denying your claim in the amount of \$8,464.73, relating to damages sustained to your insured's vehicle, on November 22, 2022, when a collision occurred with a sanitation vehicle at or near, 1000 block of E. Land Place.

Our investigation reveals that on November 22, 2022, your driver was backing out of a driveway at or near 1015 E. Land Place. Our driver was reversing east bound on E. Land Place for residential house-to-house collection operating with flasher lights on and warning alarm activated when the collision occurred.

According to the police report, J9L1LTDXZ1, it reads, both drivers agreed to not seeing one another, however, our driver's statement reveals that he backed while checking his mirrors. Further investigation reveals that there were parked cars obstructing your driver's view. Our driver had both possession of the road and directional right of way. It is our view that your driver was majority therefore, we are unable to accept liability for damages.
