Common Council  
City of Milwaukee

Subject: Introduction of Resolution Appropriating \$10,866 from the Common Council Contingent Fund to Various Contribution Accounts

Dear Honorable Members:

We are submitting the attached resolution for introduction at the June 14, 2005 Common Council meeting. We are requesting this file to be introduced by title at this time and will provide the detailed resolution and fiscal note for this purpose at a later date.

The purpose of this resolution is for the city to replace funds from certain contribution accounts that reverted to the Tax Stabilization Fund, in accordance with Common Council file 041520. While these funds have exceeded the three-year carryover limits, the Administration feels that it is in the best interest of the city and the public that the contributions made to these accounts for specific purposes/events remains accessible within those contribution accounts. This requested total includes \$9,330 for the Martin Luther King Account, \$792 for the Arts Board Account, \$5 for the Wisconsin Controlled Substances Account, \$541 for the U.S. Postal Seized Assets Account, and \$198 for the Teddy Bear Contributions Account.

My staff will be providing additional information and will gladly address any inquiries.

Respectfully submitted,

Mark Nicolini  
Budget and Management Director
