To the Honorable Members of the  
Public Works Committee  
City of Milwaukee

Dear Committee Members:

File No. 161040 approves the design of the North 4th Street pedestrian mall, north of West Highland Boulevard and south of West Juneau Avenue, in the 4th Aldermanic District.

This file approves the design of the pedestrian mall that will be located between the future Milwaukee Bucks arena to the west and the Live Block, Block 4 of the arena master plan, to the east.

Since the proposed design of the pedestrian mall is not in conflict with City plans, the City Plan Commission at its regular meeting on December 5, 2016 recommended approval of the file.

Sincerely,

Rocky Marcoux  
Executive Secretary  
City Plan Commission of Milwaukee
