SUBJECT: 15TH ALD. DIST. - FILE #220293
INSTALL PROHIBITION OF LOITERING ON MEDIANS AT
THE INTERSECTION OF WEST LISBON AVENUE AND
NORTH SHERMAN BOULEVARD

Dear Alderman Stamper:

Our Traffic Engineering staff has determined that the median islands noted above are hazardous for pedestrians to loiter on based on crash data for the intersection, we therefore recommend the prohibition of loitering on these median islands.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

City Engineer

SUBJECT: 11TH ALD. DIST. - FILE #220293
INSTALL YIELD SIGNS ON WEST OHIO AVENUE
AT SOUTH 86TH STREET

Dear Alderman Borkowski:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northwest corner of the intersection in the form of a house that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

City Engineer

Alderman, 10th Aldermanic District

SUBJECT: 10TH ALD. DIST. - FILE #220293
INSTALL YIELD SIGN ON NORTH 55TH STREET
AT WEST MARTIN DRIVE

Dear Alderman Murphy:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that south bound motorists on North 55th Street have a difficult time seeing east bound vehicles on West Martin Drive due to the geometrics of the intersection. We therefore, in the interest of public safety, recommend the installation of the above-captioned traffic control.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

City Engineer
