INITIAL INVESTIGATION

Letteer, David J 016078

02/06/2021

This license premise report is written by PO David LETTEER, assigned to District 5, Late Power Shift, Sq. 5468 with PO Russell MACRAE.

On 01-30-21 at 11:35 p.m., we were dispatched to the location of 340 W. Reservoir Ave., 340 Lounge, which is a licensed tavern in the city of Milwaukee.

The CAD read that there was loud music coming from the above location and that the caller was willing to be a complainant.

PO MACRAE and I contacted the caller, who stated she and her husband live across the street from the bar and that at about 8:30 p.m. when they began hearing the music from the bar, while in their bedroom, while attempting to go to sleep. The caller stated a movie was watched around that time, but they could still hear the music from the bar. The call to the police was made when they could not later fall asleep.

While speaking with the caller, I was informed that a citation needed to be issued for the noise violation. I asked the caller if the noise that was heard was the music or the bass from the music. I was informed that it was the bass. I asked the caller if their bedroom windows were open or closed and I was informed they were closed, the bedroom does face the direction of the bar. I was then informed that even while watching the movie, the bass could be heard. The caller stated that they have not been home recently and have not been calling in regards to the bar, but they were home and the bass from the bar was bothering them. The caller stated an attempt to contact the agent of the bar, Partrice DICKERSON was made, in order to inquire about the bass, but the phone number the caller had was not a good number. I informed the caller that we would investigate the noise and get back to them.

PO MACRAE and I drove into an alley just east of the bar and stopped our car and turned it off, with the

Milwaukee Police Department

windows down. We could hear the bass from the music a half of a block away. The music did get louder when the door opened, but then went down when the door closed. The front door only opened with people were leaving, or coming into the bar.

PO MACRAE and I went into the bar and were met by DICKERSON. I spoke to DICKERSON privately and informed her on why we were there and that the caller wanted a citation issued. DICKERSON stated that she would turn the music down and she asked if I could call the caller and work this incident out with them, so that a citation would not be issued. I informed DICKERSON I would contact the caller and speak to them. DICKERSON was informed that the number that the neighbor called was not in service and asked her for her new number (414-737-2363). DICKERSON stated that we could give the neighbor her new number, so that anything else can be avoided. The bar did have working security at the door and 8 patrons inside of the bar, along with DICKERSON and the bartender Jonathan GLASS (b/m 01-27-56) who does have a valid Class D Operators license (233766), which is set to expire 12-31-21).

PO MACRAE observed that a DJ was set up to play music and spoke to the DJ, Donnell C. CLAIR (b/m 08-17-66) who stated he started began working at the bar at 9:00 p.m. and was playing music inside of the bar.

I checked the posted licenses and found that the bar has a valid Class B license (207955), which is active, but pending a renewal. I also found that the license of the bar is set to expire on 02-19-21 and the tavern is set to serve a 10 day suspension, prior to having their renewal granted.

I then contacted the caller and informed the caller that DICKERSON was asking that a citation not be issued. I also gave the caller DICKERSON's new phone number. The caller stated due to not being able to call DICKERSON, the number being not a working number, as well as the fact of the license meeting on 01-26-21 with the 10 day suspension, along with other items discussed in the meeting, that they felt a citation for the noise was appropriate.

It should be noted that the distance between the bar and the callers residence is greater than 50 feet, with residences to the south and a church to the north of the bar.

I issued a citation on behalf of the caller for Excessive Noise Violation.

End of report.
