SUBJECT: 4TH ALD. DIST. -- FILE #020490
REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN THE
4TH ALDERMANIC DISTRICT

Dear Alderman Henningsen:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. 402 North 4th Street -- No Parking
2. East Wells Street from North Van Buren Street to North Cass Street -- Two Hour Parking
3. North 11th Street from West State Street to West Highland Avenue -- One Hour Parking

FROM WEST CAPITOL DRIVE TO WEST MESSMER STREET

Dear Alderwoman Johnson-Odom:

This is in response to a request we received from Mr. Tom Ludorf, Facility Manager, Messmer High School, to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that the installation of this parking restriction will provide turnover parking for the school. Since this area only abuts school property, we have no objection to installing the parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

This is in response to your request on behalf of Mr. Mark Stahl to remove the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that the removal of this parking restriction will provide additional parking in this area.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Honorable Michael J. Murphy
Alderman, 16th Aldermanic District
Room 205, City Hall

SUBJECT: 16TH ALD. DIST. – FILE #020490
REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN THE
16TH ALDERMANIC DISTRICT

Dear Alderman Murphy:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. South 30th Street from West Mitchell Street to West Burnham Street –
No Parking
2. South 26th Street from West Mineral Street to West Scott Street – Two Hour Parking
3. West St. Paul Avenue from North 42nd Street to the Menomonee River –
Two Hour Parking

Very truly yours,

Jeffrey S. Polenske, P.E.

Honorable Willie L. Hines
Alderman, 17th Aldermanic District
Room 205, City Hall

SUBJECT: 17TH ALD. DIST. -- FILE #020490
REMOVE NO PARKING AND
TWO HOUR PARKING ON
WEST CHERRY STREET FROM
NORTH 12TH STREET TO
NORTH 13TH STREET

Dear Alderman Hines:

This is in response to a request we received from the local business owner to remove the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that since there is only one business abutting this street, we have no objection to the removal of the parking restrictions.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
