RE: Jason Woll
C.I. File No: 08-S-690

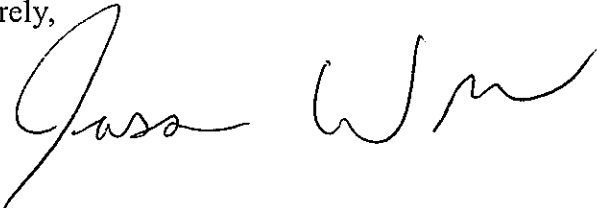

Mr. Leonhardt,

I am writing to appeal a decision of a claim that I made with the City of Milwaukee, with regards to damaged to my truck that was received while being towed by the City of Milwaukee. I am making a request to receive a hearing to further pursue this issue.

I received a letter of denial on January 20, 2009, that states that my claim was being denied, and the City of Milwaukee will not accept liability. In the letter it states that my truck has scratches and damage all over the passenger and driver side of the vehicle. The only damage that is in question is the damage to the rear driver side of the vehicle, near the bumper. The damage to the passenger side of the vehicle was sustained during a traffic accident, where a woman illegally ran a red light and struck my car. This damage has already been paid for and repaired by her insurance company.

The claim that I made with the City of Milwaukee was about damage sustained when my car was towed by the city of Milwaukee on June 11, 2008. The damage was received while my vehicle was in tow to the City of Milwaukee towing lot. Therefore the damage would be on the intake video at the towing lot. The damage was not there previous to my vehicle being towed. I would again like continue to pursue my claim against the City of Milwaukee by appealing the decision and request a hearing.

Sincerely,

Jason Woll

RONALD D. LEONHARDT
CITY CLERK

My name is Jason Well, I am making a claim against the city of Milwaukee for damages to my 2002 blue Chevrolet Silverado, that occurred on 6/11/08. My vehicle was towed by the city of Milwaukee on 6/11/08. After picking my car up from the Milwaukee tow lot I returned home. Upon my arrival home I noticed a large scratch on the rear driver side of the truck bed. The scratch in question had not previously existed prior to my vehicle being towed. As soon as I noticed the scratch I called the Milwaukee tow lot for further instruction on processing a claim with regards to the scratch. I was then instructed to return to the Milwaukee tow lot to fill out a claim. I then returned directly to the tow lot, and proceeded to file a claim.

The estimates for repairs were \$916.59, and \$873.43. The first estimates for the repair of the damages were received from certified estimators. The estimates were obtained from the Amato collision center, 5200 N Port Washington road Glendale, Wisconsin 53217. They can be contacted at 414-964-4400. The second estimate was performed by Steve Italiano, customer service manager, ASE certified, of Amato Collision Center. The second estimate was received from Andrew Automotive, 1621 W. LaSalle St. Milwaukee, WI 53209. The phone number is 414-540-2559. The estimate was carried out by David Maertz, assistant body shop manager, and certified estimator, of Andrew Automotive.

The amount that I am request is \$900.00 to cover the damages. This will cover all of the damages attained while being towed by the city of Milwaukee, and is within the two estimates received.

Thank you,

Jason Well
