Subject: Communication File Regarding Changes to the 2019 Positions Ordinance

Dear Members of the Finance and Personnel Committee:

Today at 5:24pm, I was notified that MPD has submitted a request to your body regarding the deletion of ten (10) police lieutenant positions from the 2019 Positions Ordinance. Unfortunately, the FPC Executive Director missed this request when submitted to the FPC and therefore, the Board was unaware of the request up until today's date.

Please be advised that the content of this request had previously been rejected by the Board and as such, I hereby ask that you table the request until further notice to permit the FPC the opportunity to determine the propriety of the request.

As Chair of the FPC, I intend to call a Special Meeting for 4/12/19 so that the FPC is able to fulfill its oversight duties as it pertains to MPD's request.

Thank you in advance for your assistance in this matter.

Respectfully,

Marisabel Cabrera

Chair, Fire and Police Commission
