CITY CLERK

To Whom it may concern:

I would very much like to appeal the decision that was made on my claim I reported the incident to officer Holley. He gave me the directions to file a claim. The damage that was done to my truck was by a police officer that night and I have witness, so I would like to request a hearing.

Thank You

CITY CLERK

On August 14, 2004 at 2:15 am I was leaving the Pure Night Club going to my truck which was located in a parking structure. The parking structure lets you out on 2nd street. Comming out of the structure there were a couple of cars in front of me that were making a left on to 2nd Michigan.

As I was approaching the corner of 2nd Michigan I seen a police officer come running to the truck waving his hands saying stop I had not even made the turn yet or even started to turn I stopped at the corner. After I was at a complete stop the officer ~~reached~~ named his hand into the front right side extremely hard causing the two dints after he did that I let the window down and asked the officer why did he do that
