To the Honorable Common Council
Public Improvements Committee
City of Milwaukee

Dear Committee Members:

Attached is File No. 040230, being a resolution creating a 35.00-foot wide reservation for public street purposes, in the vicinity of South 12th Street extended between West Canal Street and the South Menomonee Canal, in the 12th Aldermanic District of the City of Milwaukee.

WE Energies has petitioned the City to vacate South 11th Street between West Canal Street and the South Menomonee Canal. The City is interested in maintaining public access to the waterway. In order for the City to support WE Energies request to vacate South 11th Street, WE Energies has agreed to replace this lost public access with new public access. The creation of this subject reservation will allow the City to preserve access to the South Menomonee Canal.

Since the proposed reservation is not in conflict with city plans, the City Plan Commission at its regular meeting on June 21, 2004 recommended approval of the attached resolution.

Sincerely,

Rocky Marcoux
Acting Executive Secretary
City Plan Commission of Milwaukee
