To the Public Works Committee

Subject: Common Council Resolution File Number 070586

Dear Honorable Members:

Returned herewith is the Common Council Resolution File Number 070586, being an amendment to a special privilege for change of ownership to 433 Michigan, LLC for underground conduit and thirteen vertical precast concrete pilasters encroaching in the public right-of-way for the premises at 433 East Michigan Street.

Universal Foods Corporation requested permission to install and maintain underground conduit and Lesaffre Yeast Corporation requested permission to keep and maintain thirteen vertical precast concrete pilasters. Permission for to install and maintain the underground conduit was granted in 1992 under Common Council Resolution File Number 911716. Permission to keep and maintain said concrete pilasters was granted in 2001 under Common Council Resolution File Number 010705.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will amend the ownership of the above special privileges and will formally allow said items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works

Martin G. Collins
