

To Robert Overhol (Investigator)

I very strongly disagree with your findings and I hereby request a hearing to present my side of this case. The police were very late in finding information on the case and it took over 3 months for you people to get back to me. I have enclosed a copy of your answer to me.

I Robert Walkgren do hereby ask for payment of inside door smashed beyond repair at 8922 W. Villard Ave Apt I #14-06 by Milwaukee Police.

I had given keys to the building and apartment to Michael Zimmerman, a Milwaukee Police detective. He gave them to the SWAT team. They had trouble with the outside lock and broke into the building. Therefore following police procedure they did not try the inside door to apartment # (which was unlocked) but smashed down the door and entered said apartment.

One of the tenants was arrested and the other is moving out the end of the month. Detective Zimmerman gave me a damage notice and said go thru proper procedures and the city will reimburse me for damages.

I am just asking for the replacing inside door, locks and the stairs. I am not asking for reimbursement for any of my labor.

Repair total \$126.96
