above is the information to the second claim, the Vehicle was towed from 4720 West Hampton Avenue apartment 6 the Vehicle was towed on or between July 17 2003 July 13 2003.

This makes the second time the Milwaukee tow lot has taken my vehicles and refused to give it back No reason not to give it back and no cause to keep my vehicles. This is clear abuse and harassment. I had the money, Georgia driver license, and Georgia registration, title, Insurance, the plate on the Vehicle ~~was~~ went to all the above registered to Varick Camron Choice the Claimant, one Ford econoline 1994.

The Milwaukee city tow lot continue to harass Varick camron choice by not giving his toyota celica GT which is a very rare sports car and had proper notification that the tow and citation was being contested. Yet they say they destroyed the Vehicle before the court made its judgement. It is clear by contract and federal and state law that an unlawful seizure of property, papers and effects is illegal. Thus the claimant Varick Camron choice was wronged.
