MUNICIPALITY OF MILWAUKEE
MUNICIPALITY CODE 40251

Dear Village or City Official:

1997 Wisconsin Act 237 exempted business computers from being subject to property taxes beginning with the 1999 property tax levy, collected in 2000. It also provided for a state aid payment to your taxation district to offset the loss of this taxable property. This notice gives you the 2008 equalized value of tax exempt computers in your tax district that are located within a Tax Incremental District (TID). You will receive exempt computer aid from the state in 2009. Include this state aid payment along with the tax increment you will generate in each TID as a revenue for that TID. BEGINNING WITH 2007 PAYMENTS, EXEMPT COMPUTER AID IS NOW PAID ON THE 4TH MONDAY IN JULY INSTEAD OF THE 1 ST MONDAY IN MAY. If you follow the steps below, your estimated aid will be the same as the amount calculated by the Dept. of Revenue. If you have many TIDs, please check the back of this notice for data.

PROCEDURE TO CALCULATE EXEMPT COMPUTER AID:

Step 1: Finish your tax district's tax increment worksheet and determine the interim rate in column C.

Step 2: Multiply the value of exempt computers in each TID by the corresponding interim rate. If you do not have TIDs in more than one school district or special district then you should only have one interim rate. If only one rate, it can be applied to all TIDs.

Step 3: The amount calculated for each TID should be included as a tax increment when you determine if a TID has generated enough tax increment to equal the qualified expenses. When you close a TID any excess tax increment that was generated must be distributed to the other taxing jurisdictions. The excess amount will include the exempt computer aid.

If you have any questions about this notice, please call Keith Seeley at (608) 266-1110.

REQUIRED INFORMATION:

Table with 3 columns: TID#, Municipality, and Value. Rows include TID# 15 (MILWAUKEE, \$31,200), TID# 17 (MILWAUKEE, \$78,400), TID# 18 (MILWAUKEE, \$257,200), and TID# 20 (MILWAUKEE, \$377,700).
