

To the City Clerk of Milwaukee:

Erica Little Lyle

On October 31, 2024, at approximately 5:00 PM, a couple of large tree branches fell on my vehicle while it was parked at 3535 N 2nd Street, Milwaukee, WI 53212. As a result of the incident, the rear of my vehicle sustained severe damage. After an inspection, I was informed that my vehicle was a total loss.

I am seeking monetary compensation for the total loss of my vehicle. The estimated cost of the damages, based on the appraisal, amounts to \$ 8,957.44, attached is an itemized estimate of the value and receipts related to the vehicle.

On the stated date and time, strong winds caused a large branch from a tree located on or adjacent to city property to fall directly onto my vehicle. The damage was significant enough that the inspecting professional declared it a total loss.

This document is signed by me Erica Little Lyle, the claimant, and is filed within the 120-day period as required by Wisconsin Statute § 893.80(1).
