

Principal Architect •

## Mark W. Knapp, AIA

Wisconsin Registered Professional Architect #A-9412  
Joined Quorum Architects in 1997  
Became Principal in 2006

### Experience •

In his architectural career, Mark has performed Schematic Design, Architectural Design, Construction Detailing, Construction Administration and Project Management on a variety of projects including commercial buildings, municipal buildings, private residences, and interior renovation and historic adaptive reuse projects. Mark has also performed site and master planning studies, model production, space planning, interior design, renovation and rehabilitation, and streetscaping.

Mark has experience in working with clients to develop project programs and budgets. He is especially well versed in the code implications of adaptive reuse and remodeling of existing buildings, ADA surveying, the preparation of construction documents and specifications, project bidding, site supervision and construction administration.

Mark's interests include his family, historical architectural tours and being a Cub Scout Leader. Mark is a member of Historic Milwaukee, Inc., the National Trust for Historic Preservation, and is a former president of the Washington Heights Neighborhood Association.

As a whole, our firm practices sustainable design. Mark contributes with his knowledge of environmentally sensitive materials and systems and integrates them into the design process.

### Education •

Bachelor of Science Degree, Architecture: University of Illinois 1985.  
University of Illinois Study Abroad Program, Versailles, France: 1983-84

### Additional Experience •
