RE: Business Improvement District #4

Dear Mayor Barrett,

This letter is my official resignation from the Board of Directors of BID #4, Mitchell Street, effective July 15, 2014. After twelve years of service, I believe it is time to move on to my many other projects.

My hope is that, after twelve years, I have helped to make the Mitchell Street commercial corridor and business neighborhood a little bit better.

Thank you.

Sincerely,
