Good Morning,

Just received word from a staff person for the DM at the USPS local district.

He will be unable to attend citing timing and his newness to the position. I explained in some small detail the concerns of the committee and the staffer indicated this would be conveyed to the DM and a response would be forthcoming in writing. She did state that they are committed to managing the mail through the COVID pandemic and the election.

Questions, &c., of me, please let me know.

The below (after a bit of back-and-forth regarding tech) was sent from Ms. Morgan-Hill.

It sounds like the DM might like a list of questions from the Committee to which they could respond.

Keith – please alert the legislative liaison to J/L on this.

Jim,

Thank you for taking my call this morning.

As I stated, we are unable to attend the Hearing today. Please provide questions that the Legislation Committee have concerning the mail delivery affecting the upcoming election in USPS Lakeland District.

Thanks.
