Project/Program Title: Early Childhood MPS Daycare Grant

Grantor Agency: Milwaukee Public Schools

Grant Application Date: October, 2001

Anticipated Award Date: March, 2002

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The Milwaukee Health Department proposes to create a daycare program to assure optimal health and school readiness of children 0-4. The program will be concentrated in certified licensed daycare facilities associated with the MPS sites. Activities include immunization, assessment, vision and lead poisoning screening to eligible children. Parents will receive education, referral and follow-up related to their child's results.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

The Milwaukee Health Department is committed to strengthening the connections between the health community and the childcare community, thus accomplishing its ultimate goal of promoting the optimal health and well-being of children in childcare and the Milwaukee community.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

The grant funds will extend the Health Department's ability to provide screening, education and referral in 42 MPS daycare sites. Early intervention related to lead poisoning, immunizations and vision screening will promote health and school readiness of preschool children.

4. Results Measurement/Progress Report (Applies only to Programs):

Increase in immunization compliance rates.
Number of children screened and referred to medical care for lead poisoning
Number of children screened and referred for vision screening failure

5. Grant Period, Timetable and Program Phase-out Plan:

From 03/01/02 - 10/31/02 (8 months)
