Re: Protest petition concerning CCFN 151545

Honorable Members,

This is to inform you that a protest petition has been filed with respect to the zoning change included in the above-referenced Common Council file (project located at 1550 N. Prospect Ave.). This petition has been reviewed by the office of the City Attorney and the Department of City Development and has been determined to be both in form and sufficient. As a result, under s. 295-307-5 of the Milwaukee Code of Ordinances, a vote of three quarters of the members of the Common Council voting on this change will be required for passage.

Should you have any questions, &c., please do not hesitate to contact me.

Respectfully,

James R. Owczarski
City Clerk
