**OPERATING AGREEMENT
BETWEEN CITY OF MILWAUKEE AND MILWAUKEE MARATHON, INC.
FOR STAGING OF INAUGURAL
MILWAUKEE RUNNING FESTIVAL**

This Agreement is made and effective as of the _____ day of _____, 2015, by and between the City of Milwaukee, Wisconsin, a municipal corporation, (“City”), acting through its Commissioner of Public Works (“Commissioner”) and Chief of Police, or designee, and Milwaukee Marathon, Inc., a Wisconsin non-stock corporation, d/b/a Milwaukee Running Festival, whose address is 27351 Foxhaven Drive, Wind Lake, Wisconsin 53185 (collectively, “Parties”).

WHEREAS, Milwaukee Marathon, Inc. has proposed the staging of a large marathon, half-marathon, 5K, and one-mile distance-running event (the “Milwaukee Running Festival” or the “Event”) entirely within the boundaries of the City of Milwaukee; and

WHEREAS, The inaugural Milwaukee Running Festival would take place on October 31, 2015 and November 1, 2015 , with the marathon and half-marathon starting and finishing at the lakefront; and

WHEREAS, Milwaukee Marathon, Inc. believes that between 5,000 and 10,000 runners would participate in the Milwaukee Running Festival in its first year, and has a goal of attracting 20,000 runners annually within five years; and

WHEREAS, The economic impact of this type of event on Milwaukee would be substantial, with thousands of participants and their families using or visiting Milwaukee’s hotels, restaurants and tourist attractions; and

WHEREAS, The staging of the Milwaukee Running Festival would also require significant City resources, particularly Milwaukee Police Department (“MPD”) and Department of Public Works (“DPW”) resources relating to traffic control before, during and after the event; and

WHEREAS, DPW has determined that it does not have sufficient traffic control equipment needed for the Event; and

WHEREAS, Section 105-55.5 of the Code of Ordinances defines a “special event” as “any planned extraordinary, temporary use of the public right of way or public premises of 25 people or more including but not limited to parades, processions, demonstrations, bicycle or foot races, festivals and block parties”; and

WHEREAS, Any person, group, organization or association, other than a city official for city business, desiring to hold a special event on the public right-of-way shall apply for a special event permit under Section 105-55.5 of the Code of Ordinances; and

WHEREAS, Section 105-55.5-2-c of the Code of Ordinances establishes the process and criteria for approval or denial of a special event permit application; and

WHEREAS, The Commissioner is authorized to approve or deny special event permit applications according to the criteria set forth in Section 105-55.5-2-c-1 to c-11; and

WHEREAS, In the absence of an Operating Agreement between the City and Milwaukee Marathon, Inc., a special event permit would not meet the criteria in Section 105-55.5-2-c-1 because the Milwaukee Running Festival is of such a size or nature requiring the diversion of so great a number of police officers, ambulances or other emergency services as to deny reasonable emergency services to the city as a whole; and

WHEREAS, In the absence of an Operating Agreement between the City and Milwaukee Marathon, Inc., a special event permit would not meet the criteria in Section 105-55.5-2-c-2 because the time, route, size and nature of the Milwaukee Running Festival will unreasonably disrupt the safe and orderly use of any street or any public, or material portion thereof, which is ordinarily subject to great congestion or traffic at the proposed time, or substantially interrupt the safe and orderly movement of other traffic; and

WHEREAS, By City of Milwaukee Common Council Resolution 141123, adopted on November 25, 2014, the Common Council found that City of Milwaukee taxpayers should not be required to bear the costs of City services provided to support the Milwaukee Running Festival, formerly Milwaukee Marathon, but, rather, that the City should fully recover those costs from the event sponsor; and

WHEREAS, Preliminary estimates of costs for MPD and DPW services relating to the Milwaukee Running Festival are \$50,000-\$75,000 and \$20,000, respectively, based on the preliminary marathon and half-marathon route map identified on milwaukeeerunningfestival.com (last visited on January 20, 2015) and are subject to change by the City; and

WHEREAS, Pursuant to City of Milwaukee Common Council Resolution 141459, adopted on _____, 2015, the proper City officials are authorized to execute this Agreement.

NOW, THEREFORE, In consideration of the mutual covenants and agreements contained herein, the Parties mutually agree as follows:
