Re: 2009 Delivery Services Contract

The 2009 Delivery Services Contract is a contract between the Milwaukee County Federated System, the City of Milwaukee, and the Milwaukee Public Library.

Purpose:

This contract provides payment from the Milwaukee County Federated Library System to the city of Milwaukee and the Milwaukee Public Library to cover the cost of delivering books and other materials to and from Milwaukee's branch libraries.

State statutes mandate that MCFLS provide delivery services to the member libraries. MCFLS contracts with a vendor to provide delivery of materials to the suburban libraries. Since MPL already has a delivery system in place, MCFLS reimburses MPL for the costs of our providing delivery to and from our own city libraries.

Term of Agreement:

The term of this contract is one year from January 1, 2009 through December 31, 2009. It is a continuation of an existing contract.

Revenues to the City of Milwaukee:

In 2008 the City of Milwaukee will receive \$64,279 to cover the cost (salary and fringes) of one delivery driver in the mobile services unit of the Milwaukee Public Library.

City Attorney Review:

Upon approval of the Mayor, the City Clerk, and the Comptroller, the City Attorney will review this contract.
