From: Agent Lisa Disch, Division of Community Corrections - Region7

It was brought to my attention that Mr. Shawn Hoppe (DOC# 642725) has applied for a Home Improvement Contractor's License from the City of Milwaukee. Mr. Hoppe is currently on an Extended Supervision term which is scheduled to discharge on 10/10/20 for the offense of Possession of Child Pornography.

This letter is to inform you that such a licensure would NOT be in violation of his rules/conditions of supervision. If circumstances change, we will take whatever action we deem appropriate, including action which may affect such licensure. This decision was made based in part, on the following information:

A - Residence Stability: offender has maintained residence stability (YES)
offender has not maintained residence stability (NO)

B - Reporting History: offender has maintained required contacts with agent (YES)
offender has not maintained required contacts with agent (NO)

C - Police Contact: offender has had police contact while on supervision (NO)
offender has not had police contact while on supervision (YES)

D - Overall level of cooperation: has offender complied with referrals and services designed to address criminogenic needs (YES)

Mr. Hoppe was approved by the Waukesha Sex Offender Team to establish his home improvement business. Prior to approval Mr. Hoppe has to establish a workable safety plan to ensure the safety of the community and himself. Mr. Hoppe has a designated employee that acts a chaperone on job sites. At no time is there to be a minor present during hours he is working on a project. Mr. Hoppe has proposed to work with a realtor and architect in Milwaukee to side in "flipping houses." The residence he is proposing to work on in Milwaukee would be unoccupied during construction.
