Mr. Tony Zielinski
Common Council Administration Manager
City Clerk's Office
City Hall, Room 205

Dear Mr. Zielinski:

According to the City of Milwaukee budget the Health Department is authorized a special purpose account for the Milwaukee AIDS initiative. Before expenditures can be authorized from this account the Health Department is required to submit expenditure plans from each of the selected agencies detailing the services to be provided to the Common Council. I am submitting the resolution authorizing the expenditures from this special purpose account, a brief explanation of each of the agencies' programs and the expenditure plans from each of the agencies.

All appropriate paperwork is attached. Thank you for your consideration.

Sincerely,

Janet Nell
Administrative Specialist-Sr.
