

November 28, 2005

To the Honorable Common Council
Zoning, Neighborhoods and
Development Committee
City of Milwaukee

Dear Committee Members:

File No. 050981 is a resolution permitting a minor modification to the Detailed Planned Development known as The Meeting House, located on the South Side of West Donna Drive and West of North 107th Street, in the 9th Aldermanic District. This resolution will allow for revisions to a previously approved freestanding monument sign.

The sign company, on behalf of the owner, proposes a revised 6-foot tall, 30 square-foot monument sign with masonry piers, that is consistent with approved sign standards. The proposed freestanding sign is consistent with the spirit and intent of the approved plan and will not adversely affect surrounding development.

Since the proposed resolution complies with plans for the area, City Plan Commission at its special meeting on November 28, 2005 recommended approval of this resolution.

Sincerely,

Rocky Marcoux
Executive Secretary
City Plan Commission of Milwaukee
