

To The Common Council

I, LaShanda Anderson, am writing this letter to humbly ask for your reconsideration in reviewing my application for a Certificate of Appropriateness for window replacement @ 2863 N. Brent Blvd.

I, LaShanda received a letter from HPA in regards to a neighbors complaint. I, did reach out to the City of Milwaukee in March of 2020 about the need for a permit. I, Lashanda was told, "as long as you are not changing the size + just replacing windows you don't need a(n) permit."

I, LaShanda Anderson, have learned a lot since receiving this letter on 8/29/2020 from HPA. However the work was completed and I was told (Theresa Morales) that it may be possible for me to add sashes to the window to retain the historic appeal.
