To whom It May Concern - April 2, 2001

On Monday March 12th I Debra Chase was traveling southbound on Cass St. when a tree limb fell on the roof and trunk of my car, due to the workers that were trimming the trees.

I immediately stopped and one of the workers gave me a phone number to call to report the accident.

Had there been a sign alerting me that the trees were being trimmed, I would have taken a alternative route.
