Honorable Terry L. Witkowski
Alderman, 13th Aldermanic District
Room 205, City Hall

SUBJECT: 13th ALD. DIST. - FILE #170843
INSTALL STOP SIGNS ON SOUTH 23RD STREET
AT WEST WARNIMONT AVENUE

Dear Alderman Witkowski:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast corner of the intersection in the form of a hill and a tree that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

Dear Alderman Hamilton:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
